Dear Friends,

Have you ever wondered what the purpose of this life is for you? Have you ever attempted to find the fullest meaning of life? Why are we placed in a such a family or such a situation? What does God expect us to do in this life? Well, some of these questions will never be answered. We might keep asking these questions till the end of our lives. One of the important things we neglect is: to understand that God has given us a life to live and this life has a meaning when we fulfil the expectations of God.

Jesus realised that He needed some close friends who would continue the mission of God after He returned back to the Father. He chose some disciples and called them apostles. Their calling was very special. It required complete surrender. They had to leave behind everything that they were dependent on, including their families. It wasn't easy for them. There were doubts and hesitations all their lives. Jesus kept strengthening them all through.

The Gospel speaks of the calling of two sets of brothers. They left behind their families, career and all their future plans and followed Jesus. Jesus never forced them, but at the same time His calling had a power that they couldn't resist. These men later became martyrs for the Lord. They are respected as Saints today. It all began with the response to the Lord's calling.

If we are called for something, we need to be generous enough to say YES to the Lord. God can turn our lives into beautiful, meaningful lives wherein we can spread the Gospel by our way of life.

God Bless.

PART TWO: THE CELEBRATION OF THE CHRISTIAN MYSTERY

■ CHAPTER TWO THE SACRAMENTS OF HEALING

II. Who Receives and Who Administers This Sacrament?

1514 The Anointing of the Sick "is not a sacrament for those only who are at the point of death. Hence, as soon as anyone of the faithful begins to be in danger of death from sickness or old age, the fitting time for him to receive this sacrament has certainly already arrived."¹²⁹

1516 Only priests (bishops and presbyters) are ministers of the Anointing of the Sick.¹³⁰ It is the duty of pastors to instruct the faithful on the benefits of this sacrament. the faithful should encourage the sick to call for a priest to receive this sacrament. the sick should prepare themselves to receive it with good dispositions, assisted by their pastor and the whole ecclesial community, which is invited to surround the sick in a special way through their prayers and fraternal attention.

1517 Like all the sacraments the Anointing of the Sick is a liturgical and communal celebration,¹³¹ whether it takes place in the family home, a hospital or church, for a single sick person or a whole group of sick persons. It is very fitting to celebrate it within the Eucharist, the memorial of the Lord's Passover. If circumstances suggest it, the celebration of the sacrament can be preceded by the sacrament of Penance and followed by the sacrament of the Eucharist. As the sacrament of Christ's Passover the Eucharist should always be the last sacrament of the earthly journey, the "viaticum" for "passing over" to eternal life.

1519 The celebration of the sacrament includes the following principal elements: the "priests of the Church"¹³² - in silence - lay hands on the sick; they pray over them in the faith of the Church¹³³ - this is the epiclesis proper to this sacrament; they then anoint them with oil blessed, if possible, by the bishop.
